February 2025 Newsletter

Hello all!

Hope everyone's January was a good one. January is the time to make some resolutions.... eat healthy, exercise, quit the bad habits, travel, read more, etc. How successful have you been in keeping them? It can be tough. Statistics say most people have already given up by the 2nd Friday of January. Well, I hope that if you did make a resolution that you have not had a hard time with it, and that you are achieving your goals. I'm also hoping that one of your goals was to make plans to visit the Warroad Sportsmen Complex as many times as you can in the year 2025. We offer a beautiful complex for the public, we have different events held throughout the spring, summer & fall. We offer two (2) free sight in days closer to deer season, there will be a swap & shop during June or July (weather dependent). And March, April & May are busy with Warroad High School Trap every Sunday and Monday. As events get closer, full information will be included in these newsletters.

The groundhog saw his shadow, so you know what that means..... longer winter weather!! The temps in January were very cold most days. Do you travel south to avoid the brrrr factor? Or do you brave it? Since there really aren't any hunting seasons in January & February in Minnesota, are you getting out on the ice for some ice fishing? Maybe some snowmobiling? Whatever you are doing, I hope you are enjoying the beautiful area we live in.

As I stated in last month's letter, we are in our "down time" of the year. Besides the newly added Trigger Freeze event in January, these colder months are used to go over the books, recruit members, sponsors & advertisers, we are getting the budget finalized, we have insurance and a land lease to renew... so in other words, paperwork galore. In January, letters/invoices were sent out to our existing advertisers, along with several letters to hopefully some new sponsors/advertisers in the Warroad area. If you know someone who didn't get one or if someone in the surrounding towns would like to give generously to WLRSC, please give them our contact information. Email us at wlrsc1@gmail.com or visit our webpage at www.wlrsc.net

Later this month (February), as a polite reminder, paper copies of the 2025 membership forms will be mailed out if you have not yet renewed your membership. If you have renewed, THANK YOU!!

As a reminder, our 2025 Board members are here for you if you have any question, ideas, desires, concerns, etc. If you ever need to contact a member, please do. Board member's contact information is included at the end of this letter.

The February 2025 WLRSC meeting minutes are included at the end of this letter.

Have a great day!

Thank you,

WLRSC Board

Happy Valentine's Day
