December 2025 Newsletter

Hello Everyone!

Merry Christmas all. Hope you all had a successful deer hunting season. And good luck to those who are still muzzle loading and/or archery hunting.

Well, this letter marks one full year of newsletters. We hope that they are getting read and are being enjoyed by you all. If there is something you think could be improved upon with these letters, please reach out to Terri with your ideas and suggestions. Email ideas to wlrsc1@gmail.com. Also, we'd like to hear from our members/users of the Complex. If you have a short inspirational story to share about your experience at WLRSC, please email them to us and we will share them in the newsletter.

Our 2026 Board members did not change from 2025, except for one director position, that is currently still open. If you are interested in serving on the WLRSC board, please contact any current board member. Or if you ever need to contact a member, for any reason at all, please do. Board member's contact information is included at the end of this letter.

Meeting Minutes will be included in all monthly newsletters. Please be on the look out for them. And remember, monthly meetings are open to the public. They are held on the second Tuesday of each month at the Warroad Safety Public Building, located at 802 Cherne DR NW in Warroad at 6:00 pm. Please enter the doors on the south side of the building.

Thanks,
The WLRSC Board

Merry Christmas

2026 Membership form:

Attached to this letter is the 2026 membership form. Rates will remain the same. Maybe the one thing in this world where there was no price increase? Lol. This year it is a 2 sided form that includes a hold harmless agreement on the back. Due to changes in insurance, we are required to ask for signatures from persons who will be using the complex. As always, we are very appreciative of your past support to the WLRSC and we hope that support will continue into 2026.

**Thank
You!**
